

# Adobe Download Guide for Desktop Users

(1) Open your web browser and go to [creativecloud.adobe.com](https://creativecloud.adobe.com)

(2) Click on the 'Sign In' button. There is one located in the center of the screen as well as in the upper right corner, either works.

Welcome to Creative Cloud, Gretchen

→ [Browse all apps](#)

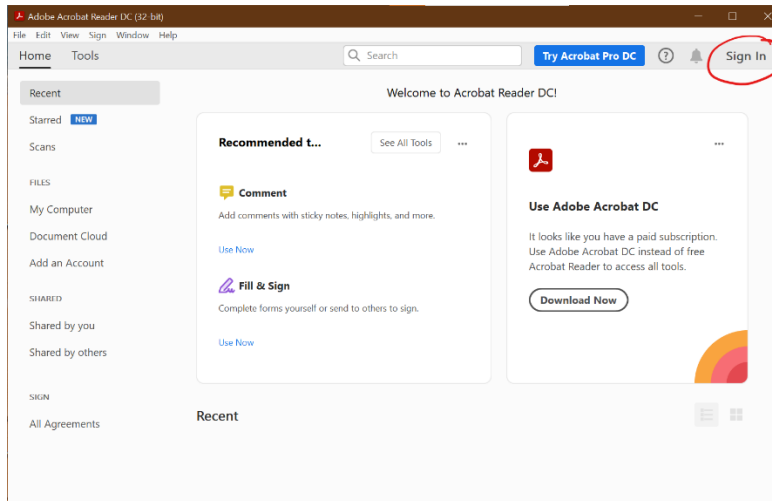

The screenshot shows the Adobe Creative Cloud home page. At the top, it says "Welcome to Creative Cloud, Gretchen". On the right, there is a link "Browse all apps" circled in red with an arrow pointing to it. Below this are three app tiles. The first tile is for Photoshop (Ps), labeled "DESKTOP + MOBILE", with a "Download" button. The second tile is for Acrobat DC, labeled "DESKTOP + MOBILE", with a "Download" button and a red arrow pointing to it. The third tile is for Creative Cloud, labeled "DESKTOP", with a "Download" button.

**(4)** On the Creative Cloud home page, you should see an Adobe DC preview tile in the center of the page. Click on 'Download' in the lower-right corner of the tile.

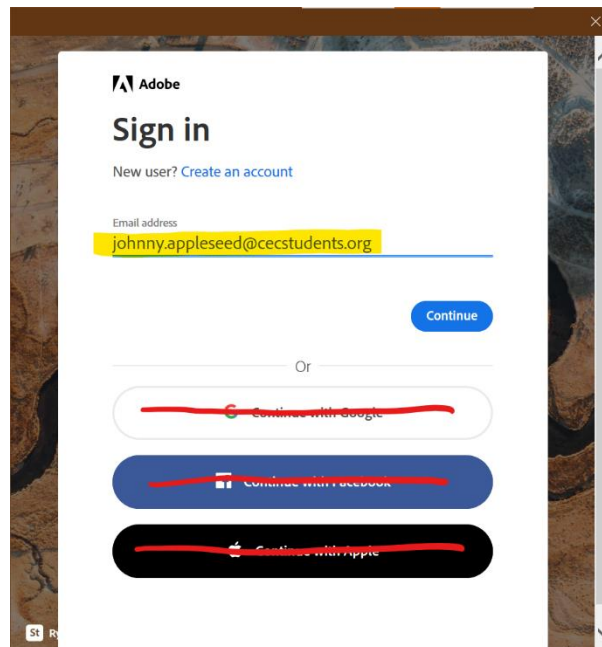

[If you do not see a tile for Adobe DC, click on 'Browse all apps'. Scroll down on the next page and you will find it listed under 'Available in your plan'].

The screenshot shows the Adobe Acrobat DC app details page. At the top left, there is a back arrow, the Acrobat DC logo, and the text "Acrobat DC DESKTOP". At the top right, there is a blue "Install" button. Below the header is a large image showing the app interface on a tablet and a laptop. To the right, there are sections for "Categories" (Acrobat and PDF, Graphic design) and "Other Platforms" (Acrobat Reader MOBILE).

**(5)** Click on the 'Install' button from the app details page.

(6) Once installed, open Adobe Acrobat DC and click on the 'Sign In' button in the top-right corner

(7) Sign in with your CEC Student email account and click on 'Continue'

(8) From there you should be all signed in! Work through the short tutorial that Adobe provides to familiarize yourself with where to find files and features.
