Meeting began: 3:32pm

Agenda:

1. Meet & Greet
2. Head of School Update
3. Review UIP Implementation – [Unified Improvement Plan](#) – required of all CO schools based on the Education Accountability Act of 2009.
 - A. Group reviewed all areas of the UIP with updates on current state to goal and action steps for each category.
 - B. Most all categories were at or above the goal that had been stated.
Exception is **Achieve 3000 – current state 30%, Goal 50%**. Staff stated that this goal will be obtainable by the end of the school year. Currently not enough data to support a positive growth to goal. - Revisit results at end of school year.
4. Revisit Curriculum
 - A. Curriculum Team met on January 3rd to re-visit Elevate Curriculum
 - B. Character Strong continues to be the front runner
 - CECW will be able to apply for a mental health grant to help cover costs.

- Middle and High School students, Tier 2 students will all be included in this curriculum
- Research and Evidence based – team will have some students evaluate Character Strong before final decision.
- Platform gives better support to staff.

C. Read Theory continues to be the front runner

- Game based model
- Will have select group of students try out new platform.
- Able to see real time growth
- Platform gives better support to staff.

D. Elevate Curriculum

- Team will continue to look at suggestions from parents on “beefing up” this curriculum for the 2024-2025 school year.
- Feedback from parents is in a Google Doc – Mike Curtis is updating and will be point parent to share suggestions. Please contact Mike with any suggestions or questions.
- These suggestions to be reviewed at next Curriculum team meeting
- Mike Curtis personal email address – mikecurtis777@gmail.com
