

Colorado Early Colleges Windsor 2023-2024 School Supply List

Below is a list of basic supplies for all students. Please note: some courses may require additional supplies once classes start. Students may need to replenish supplies after the first semester if they run out and/or change courses that require additional supplies.

Students may not bring backpacks into classrooms. There are crates/cubbies/shelves in classrooms where students may leave binders and/or notebooks. Students should bring their water bottle, planner, and pencil bag/box to each class to ensure necessary supplies are always available.

Make sure to label everything with your name!

Basic Supplies:

- Planner
 - All middle school students will receive a CECW-issued planner
 - High school students may purchase their own planners
