

National Honor Society Membership Candidate Form 2024-2025

This form must be submitted to Mrs. Alvey in room 212, or returned to the CEC Parker or Inverness front desk by Friday, May 10 2024.

National Honor Society (NHS) is more than just an honor roll. The Honor Society chapter establishes rules for membership that are based upon a student's outstanding performance in the areas of Scholarship, Service, Leadership, and Character. These criteria for selection form the foundation upon which the organization and its activities are built. The **National Honor Society is open to students in 10th, 11th, and 12th grade, but 9th grade students who are interested in joining next year should begin to build their membership qualifications.**

Once students have completed a Membership Candidate Form, a list of candidates will be presented to the faculty for comment. The members of the Faculty Council, which consists of five voting faculty members, will deliberate on the Membership Candidate Form, faculty comments, and school records. Those candidates receiving a majority vote of the Faculty Council will be invited to join the Colorado Early Colleges Douglas County Chapter.

Scholarship:

A cumulative, **unweighted grade point average of 3.5** is required for consideration. Students who meet the scholarship criteria are then **eligible for consideration** based on service, leadership, and character. *Once admitted, a cumulative, unweighted grade point average of 3.5 with enrollment must be maintained for continued membership.*

Service:

This quality is defined as the voluntary contributions made by a student to the school or community without compensation, reward, or educational credit. Students must have completed at least **20 hours of service** since June 1st after 8th grade to qualify for membership.

Once students are inducted into the National Honor Society, they must complete a minimum of **30 volunteer hours** during that year through school-wide and individual service projects. If these service components are not met, membership in the National Honor Society may be revoked.

Leadership:

Student leaders are those who are resourceful, dependable, good problem solvers, promoters of school activities, idea- contributors, and persons who exemplify positive attitudes about life. Leadership experiences can be drawn from school or community activities while working with or for others.

Character:

The student of good character upholds principles of morality and ethics, is cooperative, demonstrates high standards of honesty, integrity, and reliability, as well as shows courtesy, concern, and respect for others. Prospective members must have a record that shows no known violations of character. This includes offenses such as cheating, plagiarism or blatant disregard for school policies or rules. If honor violations occur after induction into the National Honor Society, an honor hearing will be held by the Faculty Council to determine an appropriate response to the offense, which may include revoking one's membership in the National Honor Society.

Participation requirements if you are selected:

- Students and parents will be notified of a student's acceptance in December, and the induction ceremony dinner will be held the beginning of spring semester.
- To participate in the induction ceremony, you are required to attend the induction ceremony practice and planning meetings.
- **Students must attend at least 75% of NHS meetings and NHS sponsored activities in order to maintain good standing as a member.** If a student does not meet the attendance policy, the NHS academic standards, or the CECP honor code, an honor hearing will be held by the Faculty Council to determine an appropriate response to the offense, which may include revoking one's membership in the National Honor Society.
- **Students must complete at least 30 service hours during the school year, which can consist of the school-wide service project and an individual service project. Students may use up to half of their service hours earned through other required service projects for NHS hours (example: Workforce Readiness class).**
- **Students must maintain a 3.5 unweighted GPA to maintain membership.**
- **If not selected this year:** Students who do not qualify during their sophomore year, but who do meet the requirements at the beginning of their junior year, may reapply for membership as a junior. The same policy applies to juniors who do not qualify; these students may reapply in the beginning of their senior year. If they receive a majority vote from the Faculty Council for admission into NHS, they will be inducted into the National Honor Society.
